

[Admission to Victoria Primary School – School Places in Reception Year to Year 6](#)

All references to ‘academy’ in this document refer to Victoria Primary School (Primary and Nursery).

The published admission number for Reception Year is 45. In Years 1 to 6, the admissions number is 45. The academy may, however, admit up to 60 pupils in cohorts where the published admission number was 60 for a cohort in Reception year AND where the roll has been maintained in the cohort.

All applications for places should be made on the applicant’s home Local Authority School Common Application Form (SCAF). In the majority of cases, this will be Nottingham City Council’s common application form, which is available on the Local Authority website. Although the Governing Body has responsibility for deciding on admissions, under law the Local Authority will co-ordinate all admissions in its area and will communicate all admission decisions to parents.

[Admission to Victoria Primary School – Nursery Places](#)

The combined number of Nursery places available is 26. The school admits children to Nursery from the start of the new school year after the child’s third birthday (Nursery 2). The school may admit a pupil in the month after their third birthday (Nursery 1), if an appropriate place is available once all Nursery 2 applications have been admitted.

All applications for Nursery places should be made on the school Admissions Form which is available on the school website or via the School Office. The Governing Body has responsibility for deciding on Nursery admissions, will co-ordinate all such admissions and will communicate all admission decisions to parents directly.

Places are allocated in line with the Oversubscription criteria detailed on page 2 - 3).

[Applications for places in Reception Year in 2022 – 2023](#)

For entrance to the academy in 2022 – 2023 the closing date for applications under the coordinated admission scheme is 15 January 2022.

[Late applications for Reception Year in 2022 – 2023](#)

Nottingham City Council and the Governing Body of Victoria Primary School may be willing to accept applications that are received late with good reason as long as the applicant provides evidence and can establish at the time of completing their application form that there were exceptional reasons for missing the closing date. Any preferences received by Nottingham City Council up to 10 February 2022, with good reason for being late, and where appropriate with the agreement of the Governing Body of Victoria Primary Academy, will be included in the first cycle of allocations and will be notified on the national offer day. All other late applications for places at the academy received by Nottingham City Council after 10 February 2022 will be dealt with after the offer day. Other Local Authorities might have different policies when dealing with late applications. Applicants are advised to contact their home Local Authority to find out what their policy is.

In-Year Admissions

Details of how to apply for places in any year group made during the school year are available on the academy's website. If the respective year group total is below the published admission number for that year group, the child will be offered a place unless paragraphs 2.15 and 3.8 of the School Admissions Code are applicable. If the respective year group total is full, the child will be only offered a place if there are very exceptional circumstances and if the governors decide that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil. Parents will have 14 days to accept the offer of a school place. If a child is not allocated a place, parents have a statutory right to appeal (please see 'Appeals' below). Appeals should be lodged within 20 school days of the date of the decision letter. Admissions outside of chronological age can be made.

Fair Access Protocols

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children, especially the most vulnerable, who live in the home Local Authority area, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admission number to schools that are already full. Victoria Primary School will participate fully in Nottingham City Council's fair access protocol.

Children with an Education, Health and Care Plan (EHCP)

Children who have an Education, Health and Care Plan (EHCP) where Victoria Primary School is named in the child's Education, Health and Care Plan, will be admitted.

Oversubscription criteria

In the event of oversubscription within any of the criteria listed below, preference will be given to applicants who live closest to the academy, as measured in a straight line (by a computerised geographical information system) from a point on the school site to a point at the pupil's home, i.e. as the crow flies, both identified by the Local Land and Property Gazetteer. Where two or more pupils are equal in all respects and it is therefore not possible to differentiate between them, a method of random allocation by drawing lots will be used to allocate places (supervised by someone independent of the academy).

1. Looked-After, Previously Looked After Children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted, and named school Education, Health and Care Plans (EHCP)

Places will first be allocated to a 'looked after child', a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order (including those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted), or those children who have an Education, Health and Care Plan (EHCP) where Victoria Primary School is named in the child's Education, Health and Care Plan, will be admitted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school. An adoption order is an order under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of

the Children Act 1989 as amended by section 12 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. In Catchment; siblings in school

Places will then be allocated to pupils who, at the closing date for applications, live within the catchment area of the academy, whose parents have requested a place at the academy and who, at the time of admission, will have a brother or sister attending the academy.

3. In Catchment; Premium Nursery

For entry to Reception Year, places will then be allocated to pupils who, at the closing date for applications, live within the catchment area of the academy, whose parents have requested a place at the academy and who are eligible for the early years pupil premium, the premium or the service premium who are in the nursery class which is part of the school.

4. In Catchment

Places will then be allocated to other pupils who, at the closing date for applications, live within the catchment area of the academy and whose parents have requested a place at the academy.

5. Out of Catchment; siblings in school

Places will then be allocated to pupils who live outside the catchment area of the academy, whose parents have requested a place at the academy and who, at the time of admission, will have a brother or sister attending the academy.

6. Out of Catchment; Premium Nursery

For entry to Reception Year, places will then be allocated to pupils who, at the closing date for applications, live outside the catchment area of the academy, whose parents have requested a place at the academy and who are eligible for the early years pupil premium, the premium or the service premium who are in the nursery class which is part of the school.

7. Out of Catchment

Places will then be allocated to other pupils who live outside the catchment area of the academy whose parents have requested a place at the academy.

The above criteria (2-7) may be overridden and priority given to an applicant who can establish any of the following:

- pupils with special educational needs that can only be met at the academy (e.g. where the academy has specialist provision)*;
- children of travellers, pupils with exceptional medical, mobility, or social grounds that can only be met at the academy*.

*Applications in these categories must be supported by a statement in writing from a doctor, social worker or other relevant professional. This is necessary because you will be asking the academy to assess your child as having a stronger case than other children. Each case will be considered on its merits by the Governing Body of Victoria Primary School.

Deferred Admission – Reception Class

If your child is offered a full time place before s/he reaches compulsory school age, you have the option of deferring the child's entry up until the term in which the child reaches compulsory school age. A child reaches compulsory school age on the prescribed day following his/her fifth birthday or on his/her fifth birthday if it falls on a prescribed day. The prescribed days are 31st December, 31st March and 31st August. If parents wish to take up this option, they may arrange the details with the Head of School. A place will be held and will not be offered to another child provided the place is taken up within the same academic year. However, if their child's birthday falls between 1 April and 31 August, deferring admission until compulsory school age would result in the child being admitted into a different school year. In this case, the child could not be allocated a Reception place at the school during the normal school year and the parent would have to apply for a place during the summer term for admission into Year 1 in September 2023. The Academy and the Local Authority (Nottingham City Council) strongly recommends that parents do not defer the start of their child's full-time education as children's learning chances are likely to be better if they start school with their peers at the beginning of the expected school year.

Requests for Admission Outside the Normal Age Group

Parents may request admission for their child outside their normal age group. In general, it is considered that children should be educated in their normal age group, with the curriculum differentiated as appropriate, and they should only be educated out of their normal age group in very limited circumstances. The decision to allow a child to repeat a year or to admit a child into a cohort outside their chronological year group, in most cases lies with the school.

Most requests can be made through the Head of School, however, the following requests must be referred to the School Admissions Team at Children and Adults for consideration and advice:

For children who are chronologically due to start Reception/Foundation 2, parents are required to make an application for their child's normal age group at the usual time (by 15 January) but should also submit a request for admission out of the normal age group at the same time

- 1) the relevant admission authority will be required to make a decision on which age group the child should be admitted to. One admission authority is not required to honour the decision made by another admission authority on admission out of the normal age group
- 2) if the request is agreed by all admission authorities, the application for the normal age group may be withdrawn before a place is offered. Parents will then need to make a new application for reception/ Foundation 2 as part of the main admissions round for the following year. The application will then be considered alongside other applications received and determined against the admission arrangements
- 3) if the request to be admitted out of age group is refused, the parent must decide whether or not accept the offer of a place for the normal age group, or to refuse it

All requests should be forwarded or referred to the School Admissions Team at Children and Adults. Such requests will need to be made in writing and can be from the parent/carer of a child and/or the Head Teacher of the child's present school. The admission authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned.

Withdrawing an offer of a place

Any offers of a place found to be made on the basis of inaccurate information can be withdrawn. Such examples would include fraudulent or intentionally misleading applications (e.g. a false claim to residence in the catchment area of the academy). Failure to accept a place offered at the academy within the 14 days previously specified may also lead to the withdrawal of that offer.

Waiting list

If there is oversubscription within any year group, the academy will maintain a waiting list. Waiting lists for Reception Year and Years 1 to 5 will be maintained all-year round from the date of refusal of a place up until the summer half term. Waiting lists will not be maintained for Year 6. Inclusion in a school's waiting list does not mean that a place will eventually become available. Where the number of pupils in a particular year group falls below the admission number and where it will not result in a breach of the infant class size legislation, the person whose name appears at the top of that particular year group's waiting list will be offered a place. A child's position on this waiting list will be determined by the application of the academy's published oversubscription criteria. Parents are welcome to ask what position their child currently holds on the list. However, because the academy constantly receive applications for admission throughout the year, the waiting lists are continually being re-ordered. Parents need to be aware that their position on the list may rise and fall over time and therefore a higher position on the list is not necessarily a good indicator of the likelihood of a place being offered. Length of time on the waiting list will not be a factor in offering a place. Children who are the subject of a direction by a Local Authority to admit or who are allocated a place at the academy in accordance with the In-Year Fair Access Protocol, will take precedence over those children on a waiting list.

Independent appeals

Parents have the right to an independent appeals panel in the event that their child is declined admission to the academy. Repeat applications in the same academic year will not be considered unless there is a significant and material change in circumstances. Parents wishing to appeal should submit their appeal form within 20 school days of the date of the letter advising that child has not been given a place. Details of where an appeal should be sent will be provided on the decision letter or made available on the schools website.

Catchment area

Defined catchment addresses can be checked online at:

<https://geoserver.nottinghamcity.gov.uk/primarycatchment/>

Definitions of terms used in these arrangements:

Residence

This is defined as the child's permanent place of residence which is deemed to be the residential property that is their only or main home on the closing date for applications and which their parent, carer or guardian owns, leases or rents under a lease or written rental agreement. If more than one person has parental responsibility for the child and those people live in separate homes, we will consider the child's home address to be the property at which they live for most of the week (this includes weekends as well as weekdays). If the child lives at two separate homes for an equal length of time, the child's permanent place of residence will be taken as the address shown on the child benefit letter.

Brothers or sisters – sibling connection

For admission purposes the academy considers the following as siblings:

- a brother or sister who share the same parents;
- a half brother or sister, where two children share one common parent;
- a step brother or sister, where two children are related by a parent's marriage or civil partnership;
- adopted or fostered children or children living in the same household under the terms of a child arrangements or special guardianship order.

The academy does not consider these as siblings:

- cousins or other family relationships not included in (1) above;
- siblings who at 1 September 2022 will not be registered pupils at the Victoria Primary School.

Where applications are received in respect of twins, triplets or children of other multiple births, the academy will endeavour to offer places in the same school, admitting above the planned admission number where necessary. If this is not possible, the parent/carer will be asked which child(ren) should take up the place(s). The parent/carer will still have a right of appeal against a refusal of a place.

Parent

Section 576 of the Education Act 1996 defines 'parent' to include:

- all natural parents, whether they are married or not;
- any person who, although not a natural parent, has parental responsibility for a child or young person; and
- any person who, although not a natural parent, has care of a child or a young person.

Having parental responsibility means assuming all the rights, duties, powers, responsibilities and authority that a parent of a child has by law. People other than a child's natural parent can acquire parental responsibility.
