CHILDREN IN NEED

Thank you for supporting the Children in Need charity non-uniform day. We raised just over £100 which has been added to the national total of £50.6 million. Children in Need funds groups who give support to UK children, young people and families who are disadvantaged so we are very pleased to support them as a school.

Mrs Adams, Assistant Head

DID YOU MISS PARENT – TEACHER MEETING?

We hope to see all families at Parent – Teacher meetings as they are a great way for families to understand how to support their own child's education. If you couldn't make it, you'll still receive your child's report card to help you see how they doing. If you have any questions or want to know more, you can talk to your child's teacher at their classroom door to make an appointment at another time, or contact them on the office@victoriaprimarieschool.org.uk email address.

EMERGENCY INFORMATION

DID YOU KNOW...

Dialling 112 in the UK is the same as dialling 999? 112 works when you are travelling overseas too.

If you text the word REGISTER to 999, it will set you up to be able to text 999 in an emergency. This is very useful if you are in an emergency situation but don't want to be heard making a call.

You can put an emergency contact on your lock screen of your phone by creating a new contact (enter the first name as ICE and the second name as their real name). This is helpful if you might need to contact someone quickly without going through your contacts, or if you are in an accident so the emergency services know who to contact.

School needs your up-to-date contact number AND ideally at least two other contacts in case of an emergency. Please let the Office know if your numbers change.
