Well done Year 6!

Congratulations to Year 6 who completed their SATs (national tests) last week. All of the staff were so impressed by every pupil's calm and confident approach. Whatever the results, we know that Year 6 have worked so hard all year and we can't ask for any more than that! Some of our children didn't sit the tests because of their newness to English or because of their needs but we want to say well done to them too as they have also tried their best for the whole of Year 6 – and were so kind preparing the juice and snacks for the friends in SATs tests too!

Miss Froggatt (Assistant Head and Year 5/6 Lead) and Mr Gray

And well done Year 2 too!

Year 2 have been doing their own mini SATs and we wanted to say well done to them as well! Although Year 2 SATs are still tests, the results are just there to help teachers give grades for the end of the year. Everyone loved seeing Year 2 skipping around school with smiles on their faces as they went to do their tests in small groups – this definitely shows how confident they are!

School Meal Statements

Statements of school meals payments are being sent out to families where money is owed to the school. It is important that debts don't go unpaid as the school has to pay for any unpaid meals out of money meant for children's classroom resources. If you have any questions or concerns, you must speak to the school office staff who can set up payment plans and give advice where needed.
