

## Year 3 Brunel and Stevenson Classes Newsletter: 2<sup>nd</sup> September 2020

Dear Parents/Carers,

Welcome back! We hope that you have had a great summer break and are ready for an exciting start back to Year 3. We are sure you can't wait to catch up with all your friends and see how tall you have grown!

### Topic: Stone Age

This autumn, we are going to take a time machine back to the Stone Age and discover about how the Stone Age people survived. This will link nicely to our science learning about rocks and soils. We will also see how the Earth has changed since the Stone Age period. The final product is to create a poster or presentation using PowerPoint or Word.

### PSHE (Personal, Social, Health and Economic Education)

As we return this year another key focus for us will be PSHE, this will help us to support children with the transition back into school, help them understand their emotions and re-introduce them to social and behavioural expectations at school. If you have any concerns or questions about your child returning to school please speak to one of us, we are here to help and support.

### PE Kit and Forest School

Please ensure your child brings their correct PE kit to school on Wednesday and Thursday. Forest School is on Thursday so children must bring wellies and a warm coat. All personal belonging should be clearly labelled.

### Homework and Reading

There will be an expectation in Year 3 that **all** children have their reading diary and reading book in school every day. They will be given a suitable text from school but they should also be selecting their own books to read from home or in the classroom.

Children will be given homework every Monday and we expect this to be returned by the following Monday.

If you need anything, just give us a shout.

Miss Mullins, Miss White and Mrs Kaur.
